25X1A9a [redacted] suggested to you in New York last week that he send some recordings to New York for you to transcribe in demonstration of your linguistic skill. This would be our normal procedure for applicants for trainee positions at CAF-6.

In order to justify a request for your appointment at the CAF-8 grade, however, it will be necessary to give you an opportunity to demonstrate that you can actually perform the same work as present employees in that position without further training. If it is convenient for you, therefore, I should like you to report to this office for a more complete monitoring test in the near future. A Saturday or Sunday would be satisfactory if you are unable to get away during the week.

Please let me know whether such an arrangement is possible and at what date and hour you might be able to come.

Very truly yours,

25X1A9a [redacted]
